## If you are log in and you see this page

The screenshot shows a mobile application interface. At the top, there is a browser-like address bar with a home icon, a lock icon, the URL "duonlineclasses.in/my/", a tab indicator with the number "1", and a menu icon. Below the address bar is a navigation bar with a hamburger menu icon on the left, and notification, chat, and profile icons on the right. A "Customise this page" button is located in the top right corner of the main content area.

The main content area is divided into two sections:

- Recently accessed courses:** This section has a title "Recently accessed courses" and a large grey icon representing a grid of course cards. Below the icon, the text "No recent courses" is displayed, with a red arrow pointing to it from the right.
- Course overview:** This section has a title "Course overview". It contains a filter dropdown menu set to "All (except removed from view)", a sorting dropdown menu set to "Course name", and a view toggle dropdown menu set to "Card". Below these controls is a large grey icon representing a grid of course cards, with the text "No courses" displayed underneath.

At the bottom of the screen, there is a "Show" label followed by a dropdown menu set to "All". The bottom of the screen also features a mobile OS navigation bar with three icons: a home indicator, a circle, and a back arrow.
